An issue has been confirmed with the unlock conditions for the "How Heavy Are the Dumbbells You Lift?" TV anime series collaboration titles: In ver.1.16, the conditions for "Hibiki" title incorrectly state that players have to perform Standing Throw 10 times, while in fact Standing Throws have to be performed 60 times to unlock the title. (The title won't be unlocked even when 10/10 displayed in the unlock conditions in WARDROBE.) Users who have unlocked "Hibiki" in ver.1.15 will be able to continue to use the title without problems. We apologize for any inconveniences caused by this issue.	○	○	○
An issue has been confirmed with the model of "Zack's Red Frame Sunglasses" that occurs when they are worn by Hayabusa. ⇒This issue is currently being worked on and will be addressed in a future balance update.	○	○	○
